

* How to get on BAY SHUTTLE *

① KANSAI International Airport 1F International arrival

②

③

①

① First, let's visit Travel desk!

There are staff members that can assist non-native Japanese speakers at the Travel Desk. The Travel Desk offers travel information and introduces accommodations in Kansai.

② Let's go to the BAY SHUTTLE Ticket Counter!

Ticket Counter Offers One Way tickets and Day Trip tickets.

③ Take the connecting bus!

Please go out from door (A) near the Ticket Counter.

The free bus ride will take about 5 minutes to KANSAI Airport port terminal

② BAY SHUTTLE

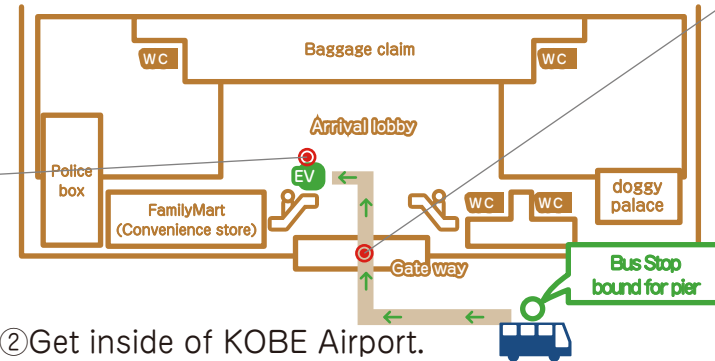

BAY SHUTTLE is barrier-free and accessible to wheelchairs. It is fully equipped with 110 comfortable seats, a space for large baggage, vending machine and TV.

It takes about 30 minutes to KOBE Airport Kaijyo Access Terminal.

③ KOBE Airport

① Get on the Connecting bus!

There is a Bus Stop bound for Kobe Airport right after the pier. It takes about 3 minutes by bus to KOBE Airport! After getting off the bus, go inside KOBE Airport.

② Get inside of KOBE Airport.

Go upstairs to reach the entrance gate of PORT LINER.

Elevator is on the left side right after the entrance.

Look at the right side after getting off the elevator, you will find the yellow dooway!

③ PORT LINER "KOBE Airport Station"

For those who have purchased the Port Liner Set. You may use the ticket to board. It takes about 18 minutes to Sannomiya.
